(underground station "Baltiiskaya", "Technologicheskij Institute")

Requirements to the articles

The first line - the initials and surname of the author (bold), in parentheses, the city (bold italic - right alignment).

The second line is the title of the article (in capital letters, bold - center alignment).

The third line - the abstract and key words in Russian and English

The main text of the article is justified.

After the main text *through indentation* are the sources in alphabetical order under the heading "references".

The text should be positioned across the width of the page with the given fields (left, right, top, bottom - 2 cm), typed in text editor Word, heading, *Times New Roman*, size 12, spacing 1.5.

Paragraph indents should be the same throughout the text (1.25 cm), should not be extended by spaces, tabs, or other characters, and must exhibit exclusively the standard paragraph format.

Quotation marks, brackets, markers and other signs should be kept similar for all of the provided material. You must use quotation marks (paired - " "). Between words must be no more than 1 space. When typing, it is necessary to distinguish the characters dash (-) and dash (-).

Bibliographic references in the text are in square brackets. None of the sources are separated by semicolons, e.g.: [3; 21] (the first figure is the number of the source in the reference list, the second is the page number). In the proposal, the period is placed after the parentheses or links.

Do not use the automatic footnote.

Articles that do not meet these requirements will not be accepted for publication!
