# **WESTERN REGIONAL SCIENCE ASSOCIATION**

## **REMOTE REGIONS/ NORTHERN DEVELOPMENT SESSIONS**

The WRSA meeting includes a series of Remote Regions/ Northern Development sessions to accommodate social scientists who have a special interest in research on economic, social, political, and cultural issues in remote, sparsely settled regions in the circumpolar north and elsewhere. The Remote Regions/ Northern Development sessions are in their thirty-seventh year. We are again issuing a general call for papers from social scientists doing research in northern and other remote regions. In the past, researchers from Canada, Alaska, Hawaii, Greenland, Finland, Scandinavia, Australia, New Zealand, Micronesia, Israel, and Russia have presented papers in these sessions.
