

# Arctic Repair 2025

26-28 June 2025, Cambridge UK

## Call for Applications: Presentations and Posters

We are delighted to invite you to Arctic Repair Conference 2025, a pioneering conference hosted by the Centre for Climate Repair in association with the University of the Arctic.

### Summary:

Arctic Repair 2025 will delve into innovative climate engineering techniques designed to combat the rapid changes taking place in the Arctic, such as the decline of Arctic sea-ice, loss of ice from glaciers, and other ice loss from land.

This conference will address the scientific, ethical, political, and social dimensions surrounding Arctic climate solutions, focusing on key themes such as Arctic climate modelling, the impacts and implications of Arctic amplification, engineering interventions, and atmospheric effects.

The techniques discussed do not replace the actions needed to reduce greenhouse gas levels; furthermore, many of these approaches may be applicable to other parts of the world as well.

### Call for Presentations and Posters:

We encourage applications for presentations and posters in the following areas:

- Stratospheric Aerosol Injection
- Marine Cloud Brightening
- Seabed Curtains
- Sea Ice Thickening
- Space Sun Shades
- Other Climate Engineering Topics (such as manipulation of glacier drainage, land surface albedo enhancement, etc.)
- 

We are pleased to see work presented covering a range of approaches such as:

- Modelling (Chemical, Mathematical, etc.)
- Laboratory Experiments
- Field Experiments/Observations
- Governance, Ethics, and Legal

# Arctic Repair 2025

26-28 June 2025, Cambridge UK

## Call for Applications: Presentations and Posters

### Submission Guidelines:

1. Abstract Submission: Please submit an abstract of no more than 300 words.
2. Deadline: Abstracts must be submitted by 31 October 2024.
3. Format: The conference will include a mixture of poster and slide presentations. If the submission is accepted the scientific committee will advise on the preferred format for each presentation.
4. Biography: Please include a short biography of no more than 200 words.
5. Selection: Abstracts will be reviewed by our scientific committee, and notifications of acceptance will be sent by 30 November 2024.
6. Submission Email: [ArcticRepair2025@climaterepair.cam.ac.uk](mailto:ArcticRepair2025@climaterepair.cam.ac.uk)

**INSTRUCTIONS FOR SUBMISSION** Abstract submissions should be limited to max. 300 words, and they should be accompanied by a short biography (max 200 words). Proposals must be in English and indicate which area(s) the abstract should be considered. The submission must include the applicant's name, affiliation, and e-mail address. Please send Abstract submissions via email to [ArcticRepair2025@climaterepair.cam.ac.uk](mailto:ArcticRepair2025@climaterepair.cam.ac.uk). Please include "Abstract Submission: Climate Repair Conference 2025" in the subject line of the e-mail. The deadline for the submission of abstracts is 31 October 2024. Successful applicants will be informed by 30 November 2024.

### Contact Information:

For any inquiries regarding the conference or the submission process, please contact Conference Coordinator: [ArcticRepair2025@climaterepair.cam.ac.uk](mailto:ArcticRepair2025@climaterepair.cam.ac.uk)
